

Partners in Apparel, Leaders in Quality

Excellence Stitched Since 1992

About Bassi Clothing

Our Heritage

Building excellence across three decades in premium knitwear manufacturing

BASSI CLOTHING, established in 2021 and founded by Mr Ankit Bassi, carries forward a proud legacy that began in 1992 when parent company BASSI ENTERPRISES was founded by Mr Dinesh Bassi. With over 30 years of expertise in the garment industry, we've evolved into a distinguished manufacturing unit specialising in premium menswear and boyswear.

- Three brands: HIP HOP, KIDDECK, URBAN STORY.
- 18,000 sq. ft. integrated facility in Ludhiana.
- In-house production ensures quality, competitive pricing, timely delivery.

Vision

To establish ourselves as a distinguished manufacturing unit in the garment industry, operating in a planned and responsible manner

Mission

To specialise in premium knitwear for men and boys, building long-term customer trust and establishing quality business relationships with partners

Our Core Values

At Bassi Clothing, our values guide every decision we make and every garment we produce. These principles form the foundation of our relationships with customers, partners, and team members.

Creativity

Taking calculated risks to discover innovative ways to accomplish our goals and push boundaries in garment manufacturing

Curiosity

Remaining open-minded, eager to improve, and willing to learn new techniques and industry best practices

Honesty

Operating with complete transparency, ensuring we consistently deliver on our promises to every partner

Collaboration

Building purposeful long-term partnerships that create positive impact for all stakeholders in our business ecosystem

Courage

Taking principled stands on issues important to our customers, always approaching challenges with humility and determination

Products, Materials & Quality Excellence

Our Key Products

We specialise in premium knitwear for men and boys, combining comfort, durability, and contemporary style across our complete product range.

Polo T-Shirts

High-quality, comfortable designs perfect for casual and semi-formal wear

Sweatshirts

Cosy and durable, designed for everyday comfort and effortless style

Hoodies

Stylish, warm, and modern suitable for all seasons and occasions

Zippered Sweatshirts

Versatile with easy layering options, ideal for active lifestyles

Premium Materials & Quality Control

Materials We Use

- Mercerised cotton, fleece, terry, and interlocks
- Polyesters, cotton, P-C blends, and single jerseys
- Cotton lycra, sinkers, looper knits, and imported fabrics

Mercerised Cotton: Treated with sodium hydroxide to increase lustre, strength, and dye affinity, resulting in a smooth, silky finish ideal for premium knitwear.

Quality Control Policy

- Raw materials procured from authentic and trusted vendors only
- Continual adherence to established procedures and systems
- Mandatory inspection at all stages during and after production
- Achieving high standards through technological advancement
- Periodic maintenance of all machinery
- Providing the best working environment for staff

Infrastructure, Partnerships & Contact

Our Production Facility

Production Setup • Separate sections for raw material storage, production, and pressing • Dedicated packing section with thorough final inspection • Advanced machinery including sewing machines, overlock machines, folding machines, and latest steam press equipment	Worker Amenities • Clean filtered drinking water and proper drainage system • 24x7 electricity supply with proper road connectivity • Material handling lift and first aid facilities for workers
